F C
Where every prayer was heard in the bright blue sky

If he stared too long he'd probably break down and cry

Their jealous eyes focused on their prize as if to cause him pain

The king rejoiced seeing Daniels face and praised the God Most High

So pray to the God Who never fails- His angels are always on time.

Oh, Sweet Child of Mine! Oh, Sweet Lord of mine!

INSTRUMENTAL ½ verse

 Guess there are times when we all need to share a little pain
 G C
 And ironing out the rough spots Is the hardest part when memories remain
 F
 And it's times like these when we all need to hear the radio
 G C
 Cause from the lips of worship leaders we can share the truth that we already know.

Turn 'em on, turn 'em on Turn on those praise songs
 When all hope is gone Why don't you tune in and turn them on
 They reach into your soul, oh oh oh Just feel their gentle touch (gentle touch)
 When all hope is gone Praise songs say so much

Maybe it's a sign of weakness when I do my thing, my way.

Maybe I just wouldn't know what to do without You, or to say!

Has it become my habit, always distorting facts?

Now I am looking forward, now there's no turning back When you say-

We belong to the light. We belong to Your wonder.

What's up parody- A, Bm, D, A

33 years and He gave His will,

carried that cross up that great big hill of hope to His destination!

I realized quickly when I knew I should that the world was full of nothing good

but Him- and whoever believes.

And so I pray sometimes when I'm lying in bed

Just to get it all out what's in my head.

And I, I am feeling a little bit newer.

And so I wake in the morning and I step outside

And I take a deep breath for the Lord, Most High!

And I sing at the top of my lungs to God's Only Son!

And I say- Hey... I say Hey- to God's Only Son.

And I say- Hey... I say Hey- to God's Only Son.

Ooh, ooh, ooh...

And I cry Oh my God do I cry. I cry all the time against persecution.

And I pray Oh my God do I pray. I pray every single day for some absolution.

And so I pray sometimes when I'm lying in bed

Just to get it all out what's in my head.

And I, I am feeling a little bit newer.

And so I wake in the morning and I step outside

And I take a deep breath for the Lord, Most High!

And I sing at the top of my lungs to God's Only Son!

We will Walk Through (Champions Parody)

God He brought some boys to the king's court
Let 'em feel the heat 'cause they made the king mad one day
A hot oven they faced with big, big flames
Kings and rulers cannot conquer your faith
Singin'
We will, we will walk through- We will, we will walk through

God He took another man, the government found him on his knees
As he prayed to the Lord one day
There were lions he faced- with big, big tastes- Waitin' for dinner where no one escapes

We will, we will walk through, Sing it!
We will, we will walk through

God He took an old man, told him "lead My people, & watch Me as I part the Red Sea today.
There's troubles you'll face with big, big waves.
But I'm gonna push 'em back -- cling to your faith!

We will, we will walk through, Sing it!
We will, we will walk through, everybody. We will, we will walk through
