A A#dim7 Bm

Blame it all on my youth I screwed up and goofed and ruined my life, I declare

My past was a joke and I'd gone so low- God was the last one I thought would be there

A A#dim7 Bm7 Dm

I was sort of surprised at what appeared in the Bible- When I took a glance at that page

Cause my God bends down to low places- And He's with me now and I feel safe 'cause

My dues are paid- and I'll be O.K... And my God's big on total grace cause

A7 Bm E A (instrumental or just E)

If we slip and fall He will go save us- Oh my God bends to low places!

I did stuff that's wrong- was messed up so long, but then God bent to the floor

Ever since that night, I put faith in Christ - And now my life is restored.

A A#dim7 Bm7 Dm

Hey, I didn't need a fake Pharisee- - To give me a religious list-

Such is life, under this big-top world

We all need the Lord to help us smile

Through grace that's kind- always You love us though...

Wandering, wayward lambs- lost without You

And being pardon's easy but it isn't fair

You came to earth and all You got was pain

I get the joy we discover in You

Oh Lord You bled for me. I'm forever Yours... FAITHFULLY

Family Tradition parody

E
Christian, faith-filled people have always been a real close family,
B
But lately we see new folks who don't know- God's all that you need.
E A
I guess it's because I kind of changed my religion.
B E
Lord, I guess I went and broke their old school traditions.

E
They ask me- "Hey! Why do you sing?" TO GIVE PRAISE
A
Why do you go to church? TO SERVE GOD
B E
Why must you live out the words that He wrote? TO OBEY!
E A
Over and over everybody talks about religion.
B E
He rolled the stone, your sins are gone, if you- make your decision.

E A B E
I once had a vision, and I once had a dream. So I read in my Bible, Ezekiel 37:3
E A
When the good Lord tells me, "Son, prophesy to fruition."
B E
I'll say- "Hey dry bones! Hear the word of the Lord..." And they'll, stand to attention!

E
They ask me "Hey!, Why do you sing?" TO GIVE PRAISE

Why do you go to church? TO SERVE GOD
B E
Why must you live out the words that He wrote? TO OBEY!

Gangsters paradise- Ab, Fm7, G, Cm

When I walk through the valley of the shadow of death
I take a look at my life and realize God never left
Cause I wasn't sure how I'd lasted so long
But His rod and staff kept me from going wrong

But I ain't never met a man who claims to deserve it
Being treated so righteous you'd think that's unheard of.

You better watch how you talkin' and where you walkin'
Cuz you and your holiness might come to a halt.

I really got a grip on the 23rd
As the Psalmist says the Lord will fill his cup, full.

He's the kind of person little kids wanna be like
On my knees in the night saying prayers for the Son's light

(Ahh's with lead singer)
Keep spending most our lives looking forward to Heavens Paradise
Been spending most our lives looking forward to Heavens Paradise
Good Shepherd rules my life as I follow Him to Paradise
You can spend eternal life if you follow Him to Paradise

(stop violin lick)
Look at the declaration that God is making
"I will give my own life in exchange for My sheep"
And He's got it written down in the Good Book
Too much television watching got me chasing things

(start back violin)
I don't wanna be a fool with money on my mind
Chapter 10 verse 11 in the Gospel of John
Says the Lord is my shepherd- what could be better?
And my home is a mansion in His house forever. Cool!

Death ain't nothin' but a heart beat away
I'm livin' life for on High, what will He say?
Ps 23 tells you all of this but there's plenty more.
The Bible tells me all I need to know.

(just lead singer)
Tell my why is He so kind to me. When the ones we hurt are you and me?
(Ahh's with lead singer)
Keep spending most our lives looking forward to Heavens Paradise
Been spending most our lives looking forward to Heavens Paradise
Good Shepherd rules my life as I follow Him to Paradise
You can spend eternal life if you follow Him to Paradise

If I Ain't Got You (parody) Lyrics

Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game

Some people think that the physical things define what's within
And I've been there before Oh God we need a world full
Of the supernatural

Some people want it all
But I don't want nothing at all
If it ain't You Jesus
If I ain't got you Jesus
Some people want diamond rings
But You are my everything
And my life means nothing
If I ain't got you, yeah

Some people look at the mountain
Say that I can't ne done
But in my heart I know you've chosen
For me to let the world know You love them

You are the one who laid down Your life
So I could be free
I want to share with those everywhere
What You did for me

Some people want it all
But I don't want nothing at all
If it ain't You Jesus
If I ain't got you Jesus
Some people want diamond rings
But You are my everything
