

PARODIES (CD list 1)

Old time rock and roll

Just take those old directions off the shelf I'm sending us into the Bible Belt
To show you how God can save souls
I'll ride that old time Romans Road

Don't try to take me to a different road You'll never even get me -- I'll never go
But take me on the highway straight for the Lord
I like that old time Romans Road

I like that old time Romans Road That avenue it just saves your soul
I'll be walking down the streets of gold
With that old time Romans Road

Although I hear the way is narrow All other avenues are bumpy old roads
There's only one sure way to get me to God
It's on that old time Romans Road

I like that old time Romans Road That avenue it just saves your soul
I'll be walking down the streets of gold
With that old time Romans Road

YOUR SONG

F Gm Bb F
My gift is my song and this one's for You

I'm gonna tell everybody that You are my song
I know it wasn't simple but You gave Your Son
Your love is so kind,
I'm glad I'm not blind, to the truth in Your Word
How wonderful life is tho we're not of this world...

I know that I'm found, from being quite lost
Well, I see now the verses that led me to the cross
The Son was kind to suffer so long
It was for people like me that keep doing wrong

So please keep forgiving the things that I do
You see I've forgotten that my sins paid by You
Anyway the thing is what I really mean
On Sunday You rose and I've been redeemed

I'm gonna tell everybody that You are my song
I know it wasn't simple but You gave Your Son
Your love is so kind,
I'm glad I'm not blind, to the truth in Your Word
How wonderful life is while Your in the world

Your love is so kind,
I'm glad I'm not blind, to the truth in Your Word
How wonderful life is tho we're not of this world...

EVERY STEP YOU TAKE- intro- Ab, Fm, Db, Eb, Ab

Every debt you face can be removed through grace
Every law you break can be fixed through faith if you want them to
Every sinful way can be cured today
Every stain will fade -- they'll be wiped away if you want them to
Oh, can't you see? You'd be wrong to flee
While the good Lord waits till every soul is saved

If you move too late there's a price you pay
There's no time to waste -- get a clean, new slate 'cause He wants you to
Sinned so long I'd be lost without His grace
'cause Jesus Christ is the only way that saves
You're lookin' 'round for a truth you can embrace
He'll fill your soul with a strong enduring faith
At least try Him, baby, baby please.

Oh, can't you see -- Second Peter 3?
How the good Lord waits -- till every soul is saved
If you use true faith, if you bow to pray
Use your mouth to say Jesus' name today 'cause that's what to do
He'll remove your shame, just confess His name 'cause that's what to do
