Compatible with
All Devices

The Javiya Lite Series Interactive Touch Panel is thoughtfully designed for modern classrooms, combining functionality with affordability. With simplicity at its core, the Lite Series delivers an intuitive user experience that teachers and students can easily navigate right out of the box with minimal training needed.

This multi-touch panel fosters teacher-student collaboration through its interactive tools, enables the delivery of engaging multimedia lessons, encourages creativity with drawing and coloring, and captivates students with educational games – making learning both fun and exciting.

With just the right features at an affordable price, the Javiya Lite is a practical tool that delivers real value in everyday classroom settings – a smart step forward in digital learning.
