

AVARAI Meeting Capsule Pro

360° All-in-One AI Conference Room Kit with Wireless Co-Camera.

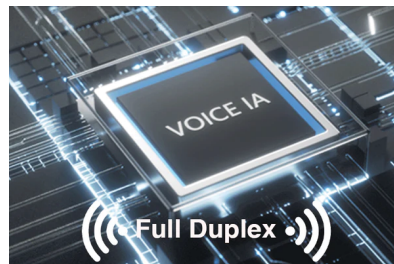

Key Features

- Dual 4K lenses, upgraded image quality
- 8+2 microphones, crystal-clear audio
- 10W Hi-Fi speaker, hear loud and clear
- AI-powered active speaker tracking
- Pre-paired wireless & portable co-camera for whiteboard, for host and for more

HEAR LOUDER AND CLEARER

Hear the remote side louder and clearer with the powerful 10W Hi-Fi speaker anywhere in the conference room.

SMOOTH AND SEAMLESS COMMUNICATION

Our exclusive DSP algorithm VoiceIA enables cancelling up to 2969 types of noises, including transient noises and continuously steady background noises, together with the full duplex audio, the Avarai Meeting Capsule Pro makes communication smoother and collaboration a breeze.

GET YOURSELF HEARD

The Avarai Meeting Capsule Pro boasts 8 omni-directional and 2 noise cancelling mics that are enhanced with a cutting-edge voiceIA algorithm so that it provides a complete 360° voice pickup in a radius of 18ft, making sure everyone is heard wherever they're in the room.

PLUG AND PLAY

Set and meet. Be meeting-ready in seconds with the plug-and-play convenience, user-friendly control and various mounting ways of the Avarai Meeting Capsule Pro.
