Specifications	Descriptions
Output power	100W(RMS), 150W MAX 4Ω load (class-D)
Speaker system	8" Low Frequency, 1" High Frequency
Multimedia module	Built-in digital recorder player USB/SD/MP3 with LED display & remote control
Receiver module	Receiver module SDR-8100M IRDA
T.H.D	< 0.5%
Frequency response	50Hz - 20KHz ± 3dB
Controls	<ul style="list-style-type: none"> • BASS/TREBLE individual controls • Master volume control • Volume control for line input • Individual volume controls for wired microphone 1 & 2
Audio input	MIC in X 2 (COMBO), Line in (3.5mm jacks)
Audio output	AUX out (6.3mm jack), External speaker
Battery Type	12V 5A (2 pcs) , Sealed rechargeable Battery
Operating time DC mode	5-6 hrs/8-10 hrs in music >10 hrs/>12 hrs in speech
Smart Charging	with 4-step battery LED indicator and charging LED
Antenna	Built-in
Power supply	100 - 240V AC/Multi voltage 30-32V DC, 4A
Dimension (mm)	424H, 290W, 250D
Weight	10,8 Kg
Approval	CE, RoHS
Accessories supplied	Handheld microphone SQ6100 IRDA X1, Receiver module SDR-8100MIRDA X1, Microphone carrying case CC11 X1, rechargeable battery 2X , AC adaptor
Optional accessories	<ul style="list-style-type: none"> • Tripod stand mountable with ST-50A • DVD/Digital recorder (remote control supplied) • Repeater module RP-5016M • Additional Receiver module SDR-8100M IRDA • Lavalier tie clip microphone c/w Beltpack (SM6100 IRDA + MC16) • Carrying Bag TB-81A (with trolley) • Carrying Bag SB-81 (without trolley)

Remark : The above specifications are subject to change without prior notice.

Receiver module SDR-8100M IRDA

Carrying bag SB-81 tripod mountable (without trolley)

Repeater module RP-5016M

Multimedia module (DRP500M) Recorder player

Carrying bag TB-81A (with trolley)

DVD/Digital recorder

Lavalier tie clip microphone SM6100 IRDA

Handheld Microphone with LCD display SQ-6100 IRDA
