Introduce young learners to a world of interactive learning with the new Javiya Pro Max. Designed with teachers and little learners in mind, it runs on the latest Android 14 OS for a smooth, safe, and easy classroom experience.

With a built-in whiteboard, touch-friendly interface, and wireless screen sharing, Javiya Pro Max makes lessons more engaging and fun. Kids can draw, play educational games, and learn together—all on a big, bright 4K display with anti-glare glass for safe viewing.

Teachers can easily connect to the panel using any device—Windows, Android, or iPad. Simple, colourful, and powerful, Javiya Pro Max is the perfect tool for active, joyful learning in every classroom.
