Featuring six virtuoso guitarists from four countries (Japan, Canada, Belgium, and US) California Guitar Trio (CGT) and Montreal Guitar Trio (MG3) fuse over 40 years of combined performing experience into one unique six-by-six-string "phenomensembles." In a pleasantly surprising way, CGT's steel string-guitars blend naturally with the MG3's nylon-stringed guitars, as each trio's fret boards chase the other's original compositions for guitar sextet and new arrangements of progressive rock, world, jazz and classical music.

COMMITTED TO THE DEVELOPMENT OF CULTURE AND THE ARTS

COMEDY

Hamlet's a challenge for any actor, but when Jessica is cast as the titular character in a New York production, it sends her into an existential tailspin. It doesn't help that her acting coach is borderline abusive, or that every Starbucks barista with an MFA tells her she's too young for the role. Or that she's somehow managed to make Sir Patrick Stewart her nemesis. Not to mention the fact that she's a woman. How can Jessica figure out "to be or not to be," when she can't even figure out herself? Featuring an all-female cast performing multiple roles, Women Playing Hamlet is rip-roaring fun for Shakespeare fans and haters alike.
