Courtney Lawrence
Lowcountry Academic Consulting, LLC

To Whom It May Concern,

I am pleased to write this letter of reference for Courtney Lawrence at Lowcountry Academic Consulting. I have been fortunate to have Courtney tutor me in a variety of subjects during my time at College of Charleston. Courtney is attentive, patient, and creative in providing academic support that fits my unique needs. Courtney takes the time to get to know her students' strengths and areas for growth. She is flexible and personable and offers unparalleled support that motivates students to do their best.

I want to share my strong support and endorsement for Courtney to continue expanding her services to help more students find success at school and in life. She has helped me to manage my time, improve my study skills, and transition from subject to subject using methods that students can quickly adapt to their learning styles. Her encouragement, strategies and ability to listen have been a tremendous help during my sophomore and junior year at C of C.

Courtney can do it all! I highly recommend her for your academic and executive functioning needs.

Sincerely,

Mia [REDACTED]
