Subject: Road From Kirkintilloch to Milton of Campsie

Hi Thomas,

We have received complaints about the road at and around the Coup at Birdston, yet again it is covered in mud and stones . I drove the road just 45mins ago and witnessed a 20ton tipper leaving the site covered in mud.

At some point there is going to be an accident caused by these conditions.

Is it the Roads Department, Environmental health or yourself that are responsible for ensuring the roads remain safe?

It appears that no one is interested in checking on this site. We have complained numerous times about the lack of road cleaning, the condition of the road and the quality of product which is being dumped in the site yet we have had little or no response.

Are the owners operating with free reign, it certainly seems that way.

Kind Regards,

Brian J McFall
Secretary - MOCCC
