Village Paths Survey

Instagram photos of your walk at @miltonofcampsiecc

Submit online or email us at secretary.moccc@outlook.com. You can also send paper copies to the MOCCC postbox at the Village Hall, School Lane.

Path begins at:

Please provide a general description / street name and nearest number if possible, e.g. behind Bowling Green.

Path ends / joins onto another path at::

Please provide a general description / street name and nearest number if possible, e.g. behind Bowling Green.

Path condition: (score 1-5)

- 1 - being suitable for wheelchairs / prams.
- 2 - being solid and suitable for all including children's bikes & possibly wheelchairs / prams.
- 3 - being soft, walkable but not for wheelchairs / prams, possibly ok for children's bikes.
- 4 - being soft, muddy in patches, not suitable for bikes, wheelchairs or prams, boots recommended.
- 5 - being only suitable for experienced walkers and most definitely requiring walking boots.

Path difficulty: (score 1 - 5)

- 1 - easy and flat, perfect for parents with prams and or wheelchair use
- 2 - the odd change in level but still possible for prams / wheelchairs but a bit more energetic
- 3 - lots of changes of level and underfoot conditions, walkable but strenuous
- 4 - suitable for the reasonably fit and energetic walker

Path description:

Please provide a general description of the path surface/s and any obstacles.

Interesting features / vistas:**Propose a name for this path:**

Some paths are named, such as Redmoss Core Path, but others are known informally.

Other comments
