

WE CAN HELP YOU WITH YOUR FUNDRAISER!!

“THINK OUTSIDE THE BISCUIT!”

At SweetHomeChicago, our mission is to provide your family a product bursting with the maximum flavors of natural fruit by using minimal sugar.

SweetHomeChicago is a Tuscaloosa, Alabama company that makes Preservative free, Gluten free and Vegan low/no sugar jellies and jams. Our delicious flavors are made with a natural pectin giving you a tastier, healthier jam. We partner with several of our local farmers for the freshest ingredients. Serve our delicious flavors on more than just a biscuit! Cook our flavors on meat and vegetables, bake them in cakes and cookies, mix them in eggs or chicken salad, dollop them in yogurt and oatmeal or spread them on sandwiches.
