PRESIDENT'S MESSAGE

2025 has been a year of "marching on" as a Faith Alliance church and community partner collaborative. As Jesus taught, we continue to "feed, give, invite and visit" the children and families who cannot afford basic needs or access to educational supplies and tutoring opportunities leading to future economic success. We anticipate increasing need for food, clothing and school supplies in 2026 as the economic climate fluctuates. We will exercise stewardship of our financial resources to provide basics as well as afterschool and summer tutoring. We invite our students to be curious, to read, and explore new areas of interest through visits to our summer lunch sites from groups such as the Cincinnati Museum Center, Metroparks, Book Bums, and LEHS football team volunteers in 2026. We help people today so they may sustain themselves for a lifetime.
