PRESIDENT'S MESSAGE

We celebrate, as Hebrews 12 says, running with perseverance with our eyes on Jesus, in the presence of the faithful, the culmination of a three-year \$121,212 grant from the Ohio Department of Education. This grant opened the opportunity to expand our literacy program from 8 weeks in the summer to a year-round tutoring program for Lakota struggling readers! We honor those who applied for and got the grant, our faithful Board members who managed and audited the application of funds, and, most of all, to Dr. Christina Williams, the curriculum developer and our Program Director who continues to run with perseverance with The Faith Alliance to serve our local children in educational need.
