Annual Storage (April 1st - March 31st)

- ✿ Annual storage is processed on an annual basis from April 1st to March 31st of the following year. If a storage agreement is entered into after April 1st, then the storage agreement will be prorated.
- ✿ Annual storage agreements started after March 1st must extend to March 31st of the following year.
- ✿ Annual storage agreements auto renew. In order to avoid an auto renewal, you must provide a non-renewal notification in writing 10 days prior to the renewal date.

Summer Storage (April 1st-September 30th)

- ✿ Summer storage is NOT prorated, and the full amount is due at the start of the storage agreement.□
- ✿ Any days prior to or after the Summer Storage period will be billed at a daily rate of \$20 unless a winter/annual storage agreement has been executed and paid.

Winter Storage (October 1st –March 31st)

***Does not include unlimited launch and recovery services. CUSTOMER will be allowed one launch and recovery. This launch and recovery is designed to cover the initial removal of the CUSTOMER's vessel from the water for storage and the final launch when this agreement comes to term.**

- ✿ Any days prior to or after Winter Storage period, are billed at a daily rate of \$20 per day unless a summer/annual storage agreement has been executed and paid.
- ✿ Any additional winter services are not included and must be scheduled with the Service Department.
