With over 200 years of craftsmanship and innovation we proudly present the **Aqua**, designed by Marc Sadler.

Combining **ergonomic comfort** with **modern versatility** for use both in-pool and poolside. When used in water, the Aqua chaise can sit at a depth of up to 6 inches, or when combined with the Aqua Riser, it can be elevated up to 8 inches. Its sleek, sculptural design and adaptability make it a perfect choice for commercial settings, from **high-end resorts** to **luxury cruise decks**.

Experience the Aqua, the first and only in-pool chaise lounge with a suede-like moleskin option!
