To whom this may concern:

All City Patrol Services security company has been working for SOS Security on a contract bases to cover shifts when SOS Security was short on employees. Further, All City Patrol Services is our Northern California Company that we use to handle our clients wishing to have armed security and concealed carry officers.

All City Patrol Services has continually provided exemplary service, arriving on time, and providing a service that our clients continually complemented us on the services that are accomplished by All City Patrol Services. In fact, All City Patrol Services has been a complement to SOS Security and has brought to us the ability to bid for arms sites as we clearly know that we have a team player relationship with All City Patrol Services.

I highly recommend All City Patrol Services to provide you with risk management, safety, and security services. Please feel free to contact me if you should have questions.

Sincerely

Rickard Rovetto

To whom this may concern:

All City Patrol Services Security Company (ACPS) has been providing security armed and unarmed on a contract bases to protect the college venue, students, staff, and visitors for Heald College. Further, All City Patrol Services has continually provided exemplary service, arriving on time, opening and securing the property and providing a service that our staff, students, and visitors have appreciated. APCS is continually complemented by our staff, students, and visitors for the security service they provide. Last year, All City Patrol Services, President, CEO, and Chairman of the Board, Joseph Puccio, was nominated and awarded the employer of the year for his service to our students through employment and training.

All City Patrol Services has been a complement to Heald College and has brought to us the ability to be recognized as having the best security in the area. Even the Milpitas Police Department thinks so highly of All City Patrol Services they send people in crisis in the area to ACPS officers to secure until the police can arrive. Heald campus is well protected and remains a quiet campus which in part is the armed security services that is skillfully accomplished by All City Patrol Services. To their credit we have not had any violent activity on our campus since hiring ACPS in 2011.

I highly recommend All City Patrol Services to provide you with risk management, safety, and security services. Please feel free to contact me if you should have questions.

Sincerely
