

# YOU LOVE THEM, WE LOVE THEM.

**ULTRACELL® RAW** is the hemp-derived CBD oil just for pets!  
Our recommended dose is based upon the weight of your pet.

## CATS & DOGS\*

### Start

with 1/4 drop (0.01 mL) per 20 lbs.  
twice a day.

### Increase

to 1/2 drop — 1 full drop (0.02 mL  
— 0.05 mL) per 20 lbs. twice a day.

Place inside the upper lip under the split  
between upper lips and nose.

**\* Always start low initially.** If you don't see any results after dosing your animal, gradually increase the dosage until the maximum dosage is met. Do not exceed the dosing requirements. Always consult your veterinary provider prior to use.

## HORSES\*

### 500 lbs. or less

2 drops (0.1 mL) — 4 drops (0.2 mL)  
1 - 2 times per day.

### 500 lbs. — 1,000 lbs.

2.5 drops (0.125 mL) — 5 drops  
(0.25 mL) 1 - 2 times per day.

### 1,000 lbs. — 1,500 lbs.

3 drops (0.15 mL) — 6 drops (0.3 mL)  
1 - 2 times per day.

Place in the "gutter cup" of the lower lip or at  
the corner of mouth where lips meet.

## ULTRACELL® RAW
