

DESIGNED TO HELP SUPPORT SUSTAINABLE WEIGHT LOSS

SAFE, HEALTHY **BOOST TO REACHING YOUR WEIGHT LOSS GOALS**

INTRODUCING ULTRABURN™

UltraBurn is a water soluble, weight management support product designed to help you reach your weight loss goals in a safe, healthy way. With the sweet, spicy taste of cinnamon our unique formula combines powerful ingredients like phenylethylamine, Green coffee extract and Garcinia with our proprietary Mimetix blend of naturally occurring extracts. UltraBurn is formulated to fire up your metabolism and help your body in the following ways: burn fat, efficiently convert sugar into energy, safely suppress appetite, stimulate positivity and activate your Ultra lifestyle. Each carefully calculated serving is packed with everything you need to spark a healthier, new you.

THE MIMETIX™ FORMULA

Typically, the conversation about the endocannabinoid system (ECS) revolves around phytocannabinoids alone. Mimetix

takes ECS health to a whole new level. Mimetix is our full spectrum complex that includes: phytocannabinoid mimics, terpenes, betacaryophyllene, alkamides, and cannabimimetics. Cannabimimetics are defined as compounds that have the same pharmacological impact on the ECS as the hemp plant. When combined in a full spectrum, water-soluble format the results are extraordinary.

THE SYSTEM

The endocannabinoid system is ever present in the human body. This complex network impacts many areas of health and is most abundant in the brain and immune system. The ECS has been shown to be integral in body processes such as sleep, relaxation, cognitive function, and of course, healthy body weight. Through the production and use of natural endocannabinoids, the body regulates these systems. When production becomes slowed or impaired, cannabimimetics and phytocannabinoids, can supplement what the body may be lacking.

EXCLUSIVE TECHNOLOGY

As we all know, oil and water don't mix. This can be a challenge when taking oil-based supplements. UltraCell® turns oil-based compounds into a water soluble format. Our exclusive technology has been proven in a clinical study to enhance the bioavailability of our oil supplements. Thanks to powerful technology, the benefits of UltraBurn are available to you at peak capacity.

Supplement Facts

Serving Size 1 dropper (1 mL)

9 11 ()
