

## How Does Our BCB Program Help You Grow Your New Business?

Without strong business credit, you will be taking yourself out of the market for local bank loans, SBA loans, business lines of credit, commercial mortgages, equipment and vehicle purchases. TAG's BCB Program puts your business at the forefront to qualify for the best possible rates & terms on the market. Whether your business has been in existence for 30 days or 30 years, TAG will enhance your business credit profile on Dun & Bradstreet and Experian, taking your Paydex and Intelliscore to the next level.
