Enriching lives through the arts.

The mission of the DeKalb School of the Arts Foundation is to ensure the vitality and growth of arts education at DeKalb School of the Arts by providing essential financial support. Committed to fostering a vibrant artistic community, we strive to bridge funding gaps, enabling the school to deliver enriching arts programs that inspire creativity, innovation, and academic excellence among students. We provide support through:

- Sponsoring arts-focused masterclasses led by professionals in their fields.
- Providing financial support for equipment.
- Off-setting costs for new arts staff and faculty.
- Assisting with student travel costs for field trips, conferences and competitions.
- Funding locations for DSA performers.
- Matching funds for grant awards.
