

Aries Queen

The magic moon has lit a spark
Ignited by the sun
Who tried to hide the love I feel
It tried to make me run

You tell me 'bout the little things
You love to make things grow
You find your peace in solitude
In showing how life flows

Aries Queen your time is now
Please don't runaway
You don't trust and may not care
If love can be the way

There is a purpose for your life
It's not to be alone
For there is love to receive
A garden that has grown

The time has come to feel the joy
Your garden shows the way
Of what you planted long ago
It's you who'll make it stay

Aries Queen, oh Aries Queen
Please don't run away
You don't trust and may not care
If love can be the way

Aries Queen, Oh Aries Queen
It's going to be okay
Don't have to trust don't have to care
That love can be the way
