SUPPORT THE BARE COVE MUSEUM

Since 1974, the Bare Cove Fire Museum has accumulated an extraordinary collection of artifacts, equipment, and documents that tell the story of the New England people who worked heroically to save lives and property.

Our latest restoration project at the museum is our Bunny Wagon. This 1938 Dodge/Maxim Forest Wagon gained its nickname because it is small and could “hop” over rough ground to fight brush, woods, and grass field fires,

To raise funds for this restoration and to help us improve the museum grounds, we are creating a brick garden at our front entrance. Please consider a tax-deductible purchase of a brick in support of the museum. The bricks can be engraved per your instruction, which could include your name, a friend or family member’s name, a business name, or any other sort of tribute.

Yes, I'd like to reserve a permanent brick in support of the Bare Cove Fire Museum. Please engrave as follows. Any letter, number, or symbol (period, comma, dash) is considered one space. All text is centered unless otherwise noted.

\$100 A 4 inch x 8 inch brick includes 3 lines of engraving, up to 18 characters per line
