

Lakeview Property Owners Association

Pier Building Permit

Prior to construction of a pier or boathouse on any lake, the property owner whose lot is adjacent to LPOA common property that he/she wishes to construct. Owner must submit a written request stating the size and general design of the structure to the Board of Directors for approval. The property owner is required to pay annual membership fee to LPOA and a pier permit will be issued each year. As long as the structure remains in the lake the structure must be maintained in good safe condition.
