Hunks & Punks Band Answer:

50 -55 songs for 4 hour show - and over 65 songs when bundled with cocktail music. (Many bands typically offer 36-39 songs in a show).

We take two 15-20 minutes breaks in a 4 hour show and offer recorded music (you choose content or we can).

We have a full horn section (up to 3 saxes with the 8 member band) and offer congas, flute, harmonica, keyboards, etc. This variety is important in a 4 hour show!

Yes - and staging is critical for the right party vibe. Our options range from "Professional" to "Gala" to "All-In" (with Big Screen and HD Videos) - and all our options are affordable!

Yes for both. Ceremony music with upright bass/keyboard/vocals and Cocktail with upright bass/sax/keyboards/vocals.

You can cancel for any reason (for no fee) up to the day of the event. No deposit required. Our performance contract is a 1 page easy-to-read contract.
