

Dear Community Leader, Business Associate, Family and Friends,

Future FC Women is a talented group of young ladies that travel throughout the year to compete at a high level in a game they all love. Our team competes in some of the most elite amateur leagues, tournaments, and events in the country.

The mission of the team is to provide a competitive platform with zero cost to the player and to promote sportsmanship, physical fitness and to prepare and develop them holistically, not only for the game of soccer, but also the game we call life. The commitment and work ethic the players develop on the team will only help them as they mature into adults. Success will come to those who work hard.

The team will need to travel more and more as they have reached national recognition. The basic cost per player is determined by the team's activity and can exceed \$500 a year for equipment and gaming fees. This does not include traveling expenses. This has become a hardship for many of our players and we would like to see them stay on the team regardless of what their economic status may be.

The purpose of this letter is to ask you to help us defray the costs with a donation. Your sponsorship will go 100% directly to our non-profit, self-supporting team and players. Our Federal EIN number is 33-0647443. We would greatly appreciate any contribution you can make to the players, teams, or club. Please make checks out to 'Future FC' and mail to: P.O. Box 78214, Corona, California, 92877.

Please mark the check with the player's name and/or team name if available.

Thank you for your support,

Shy Jalayer
President, Director of Coaching
