What do I get with my Annual Membership Fee?

For just \$47.95 per year (*waived for the first year with a full node purchase*), unlock exclusive tools, education, dashboard access & node tracking to maximize your Cirrus Networks experience.

You Receive:

1. Customized Back Office

Your business dashboard at a glance—track performance, earnings, and network growth all in one place.

2. Node Tracking Access

Monitor your Cirrus node in real time, ensuring optimal status and reward performance.

3. Bonus: Blockchain Educational Series
Stay ahead of the curve with our expert-led blockchain training, and industry best practices.

4. World-Class Sharing App

Share Cirrus Networks with ease using our intuitive sharing app, packed with dozens of pre-built business assets—videos, presentations, and marketing materials—to help you grow your network effortlessly. Available in both the Apple and Google Store.

5. Advanced Contact Manager & Prospect Tracking

Gain real-time insights into your prospects' engagement and activity, so you know who's interested and when to follow up.

6. Exclusive Compliance Training

Navigate the blockchain space with confidence! Our unique compliance training ensures you stay compliant while building your business the right way.

Affiliate/Associate Enrollment Fee (\$299.95) – (Non-Node Purchasers)

We offer an alternative entry path for those who want to participate *without making a purchase* of a full Gnode node. This fee is required only if you choose not to purchase a full node but still want to participate in the full Cirrus Networks opportunity and earn commissions with the Cloud-9 Compensation Plan. It covers:

- **System Access & Business Tools** – Full access to the Cirrus back office, and business resources.
- **Commissions** – The ability to earn commissions within the Cirrus Networks system.
- **Compliance & Blockchain Training** – Unique education and best practices to ensure ethical and compliant participation in the blockchain space.
- **Premium Sharing & Marketing Platform** – A suite of digital tools, including a world-class sharing app, real-time prospect tracking, and a contact manager.

I live outside of North America (United States, Canada, and Puerto Rico). Can I still purchase products?

We are open in different countries across many continents. While registering you will be able to see all countries where you are able to Join. If the country is not found, it unfortunately means that we are not yet officially registered in that country.

Do I have to make a product purchase to join?

A purchase is not required to join Cirrus Networks

Is there an age requirement to join?

You must be at least 18 years of age.

Can both my spouse and I join?

Yes, both of you can join and have separate accounts.

Are there meetings or seminars I can attend to learn more?

Yes, we will have corporate meetings which will be announced to everyone.

What payment methods do you accept?

Options include, card, and crypto in some cases.

Where can I purchase your products?

You can visit the link that was provided to you by the person who introduced you.

Do you offer coupons or discounts?

We do not offer coupons or discounts, but we do offer different promotions throughout the year.

I am stationed in the military overseas. Can I order your products?

Yes, you can order any of our digital products.

Where can I locate pricing for your products?

You will be able to see the pricing during the checkout process.

What kinds of products do you offer?

We offer the Gnode Blockchain Node: \$997 each + processing fee (Fair-Launch Introductory Pricing)

What is a Gnode Node?

The Gnode Blockchain is the revolutionary backbone of Cirrus Networks, transforming the way we think about technology and its potential. Built on the principles of solidarity, Gnode empowers individuals by decentralizing the immense computing power required for AI-driven applications.

What is a blockchain?

A blockchain is a decentralized, distributed and public digital ledger that is used to record transactions across many computers so that the record cannot be altered retroactively without the alteration of all subsequent blocks and the consensus of the network.

How does the Placement option work?

The Placement feature lets you **personally enroll** new Associates, **earn the 30% Fast Start Bonus**, and then **place** those Associates anywhere in your downline organization.

- You must make the placement **by the end of the calendar month** in which the Associate was enrolled.
- However, due to the extended commissions period, you will have until **April 30th** to place any Associates you personally sponsor during this period.
- **Important:** Each personally enrolled Associate can **only be placed once**—so choose their position in your organization carefully.

This feature gives you flexibility in building your team strategically while still earning your Fast Start Bonuses.
