

NOTTINGHAM CASTLE TRUST HAS SOME FUN ACTIVITIES FOR YOU TO DO DURING LOCK-DOWN!

Activity 1

Write a recipe from your culture and share it in your front window so people can take a picture of it!

Activity 2

Colour in Robin Hood!

Activity 3

Go for a walk and see what beautiful colours, shapes and objects you can see. Make notes and then use them to write a poem about your neighbourhood!

Activity 4

Look out of a window in your house and draw what you can see outside.

Activity 5

Build your own castle using recycled items you find in your house!

Take pictures of what you have done and send them to JPickering@nottinghamcastletrust.org
