

HELP SERTOMA IN OUR 2ND ANNUAL SEARCH FOR A SERVICE TO MANKIND HONOREE

For over 100 years, Sertoma nationally has honored individuals who contribute outstanding, selfless SERVICE TO MANKIND.

Foliage Sertoma Club, along with the City of Apopka's partnership is keeping this tradition by hosting an annual search for Citizen's contributing outstanding service to our area.

Beginning March 2022, nominations will be accepted for honorees from the community, culminating in an awards dinner Wednesday, April 6th at the Fran Carlton Center and an on-stage presentation at the City's Saturday Sounds Concert on Saturday, April 9th. The Winner will be submitted to the National Sertoma Service to Mankind Search.

Please help support this effort to honor those citizens who go above and beyond with their selfless Service to the community with your financial support:
