## SOLAR & ROOFING A POWERFUL PARTNERSHIP

### Why Roofers Choose Us

#### What you get:

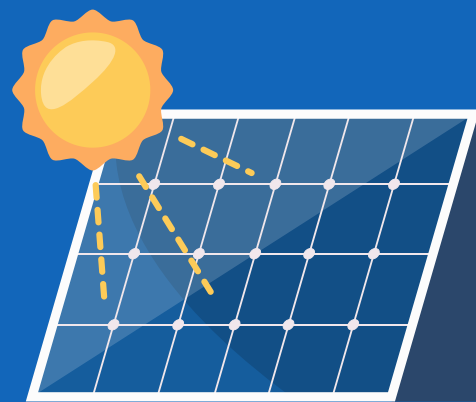

- Aligned Schedules
- Expert Handling
- GC-level coordination
- Ongoing revenue opportunities

#### What you avoid:

- Delays or project conflicts
- Risk of roof or panel damage
- Miscommunication headaches
- Leaving money on the table

#### IMMEDIATE VALUE

- Detach & Reset Services done on your schedule
- Coordinate directly with your Project Manager for smooth timelines
- Panels removed, stored onsite, and reinstalled seamlessly

#### BUILT FOR ROOFERS

- We're also a Licensed Building Contractor – we speak your language
- Experienced with all roof types: tile, shingle, metal, flat, membrane, etc.
- We help advise your team & clients on proper solar mounting systems

#### PROVEN, TRUSTED PARTNER

- Work hand-in-hand with roofers across the state
- Competitive pricing tailored for roofing partners
- Fully licensed & insured solar professionals.

#### EXTRA REVENUE OPPORTUNITY

- Ask us about cash incentives for roofers who help introduce or upsell solar
- Best time to install a new system? – When the roof is going on!

#### 20 YEARS OF SOLAR EXPERIENCE IN FLORIDA

#### BUNDLED FINANCING AVAILABLE

#### LET'S WORK TOGETHER!
