£ 411.70

Customer: Socotec
Product: Comacchio
Description: GEO305 3137

Date:31-07-2020
Order Ref No: 103420
Delivery Date:

Special Instructions:
Fuel filters done prior on site

Task No.	Task/Operation	Time to complete	Inspected by:
1	Wash the rig prior to 250hr service	1	AN
2	Changed oil in the engine alone with oil filter. Changed oil in rotary head, check the machine and greased all over.	2.5	AN
3	Changed one dowty seal on tracking greaser. The opposite tracking greaser not holding grease at all. New greaser fitted. All ok.	1	AN
4	Removed the winch rope off the machine due to damage. Fit new winch rope supplied by socotec.	1	AN
5	Investigated complaints of engine cutting out on low revs. Traced problem back to 'E' stop on control panel. Old bolts for electrical box seized. Old cut off and new ones put back in with riv nuts.	2.5	AN/JB
TOTAL (hours)		8	

Final Inspection: Thomas Jones	Inspected by: Andrzej Nowacki	Date: 05-08-2020
