

LORRY LOADER EXCLUSION ZONE

SOCOTEC

Red Zone: Keep out of this area at all times. Authorised personnel only (slinger signaller and operator). Exclusion should be determined by the working radius of the lorry loader plus 2m ensure you also factor in the load size such as stillages and rigs being lifted).

Green Zone: Always signal 'Thumbs up' to the operator of the lorry loader or slinger signaller (who will stop the lift) and receive a positive 'Thumbs up' response prior to entering the Red Zone.
