Re: The Equal Right Amendment

Dear President Fann and Speaker Bowers:

I write on behalf of Los Abogados, Arizona's Hispanic Bar Association, to support Arizona's ratification of the Equal Rights Amendment. This measure drew wide, bipartisan support in the last legislative session, and it deserves to pass in the next. The Equal Rights Amendment would provide a constitutional guarantee of gender equality not currently found in the Constitution. As advocates for diversity and equality, Los Abogados is proud to support the Equal Rights Amendment, and we urge the Legislature to ratify it in the next session.

Very truly yours,

Daniel A. Arellano
