We need your help

The ERA Task Force Az Coalition has chosen three legislative districts to focus on to support equality candidates. They are LD 6 in northern Arizona, LD 8 in Pinal county, and LD 21 in the northwest valley. The candidates in LD 6 are Coral Evans for House and Felicia French for Senate. The candidates in LD 8 are Sharon Girard for House and Barbara McGuire for Senate. The candidates in LD 21 are Kathy Knecht for House and Brian Whitman for Senate.

All three districts have a good chance of flipping to put a pro-ERA candidate in office replacing an anti-ERA candidate. With these legislators helping, the legislature will pass the ERA in January 2021.

Canvas from your couch

For those ready to jump in now, you can do “Canvas from your Couch” since of course we can’t actually walk the streets knocking on doors as we would normally be doing.

A photograph of a bright yellow armchair. A silver laptop is open on the chair, and a grey cat is curled up on the backrest. The background is slightly blurred, showing what appears to be a window or a wall.

Later there will be on the ground canvassing and tabling when the medical situation allows, postcard writing to get out the vote, and other activities. ERA Task Force Az will support you when that time comes.

If we want the ERA in Arizona, we have to do what Virginia did, oust the legislators who have consistently voted against women’s equality. NOW is the time to step up and get it done.
