CEO: Mrs Alison Nettleship

Lead Teacher: Mrs Lindsay Cooper-Smith

December 2022

We use Lego to support regulation, encourage social interaction and as a reward. We also run Lego Therapy sessions with our SENTAs.

LEGO Therapy is a structured play approach to develop social skills for children. A group of children work together to build a LEGO structure, each have defined roles and follow a set of rules to support this play therapy. Skills developed include sharing, turn-taking, following rules, using names and problem-solving.

Merry Christmas from the
Edison Team.

Dates to Remember

End of term—16/12/22

Start of term— 3/1/23
