Lead Teacher: Mrs Lindsay Cooper-Smith

May 2023

Book of the Month:

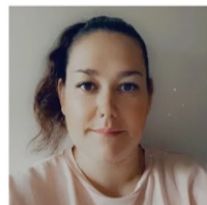

My Hidden Chimp is an educational book for children to work through with an adult or by themselves. The book offers parents, teachers and carers some ideas and thoughts on how to help children to develop healthy habits for life. The science behind the habits is discussed in a practical way with exercises and activities. The neuroscience of the mind is simplified for children to understand and then use to their advantage.

We are now in a position to offer our EYFS (Nursery and Foundation) Outreach to local Plymouth schools and nursery settings. We have an EYFS SEN Teacher and EYFS SEN TA who can visit your settings to offer advice around support for children with SEMH or other special educational needs.
