Lead Teacher: Mrs Lindsay Cooper-Smith

February 2023

We use the Nuffield Early Language Intervention (NELI). It is a programme for children in Reception (4-5 years) which has been found to improve children's language and early literacy skills. Lisa May is our resident expert and she can now demonstrate this to school staff through our Outreach programme.

Food technology is one of our most favoured sessions in Edison. The children love baking for their parent visits, to prepare snacks and to create food linked to our topics or seasonal events.

Due to feedback from Primary Heads and SENCos we are now offering Outreach to local schools.

Would you like some advice to support a child within your setting?

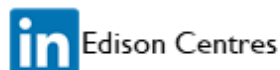

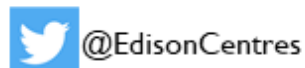

Would you like advice around setting up your own nurture space?

Would you like staff training with regards to interventions that may support children with SEMH need?

Would you like a member of the Edison team to support at EHAT/TAM meetings?

Please visit our website and make a referral to request Outreach or contact us via Edison@discoverymat.co.uk
