## February 2024

The Edison Centre takes children from EYFS to Year 6.

Where possible we try to put children of similar ages together.

However when this is not possible we have seen some **wonderful** benefits.

Children learn to have patience with each other.

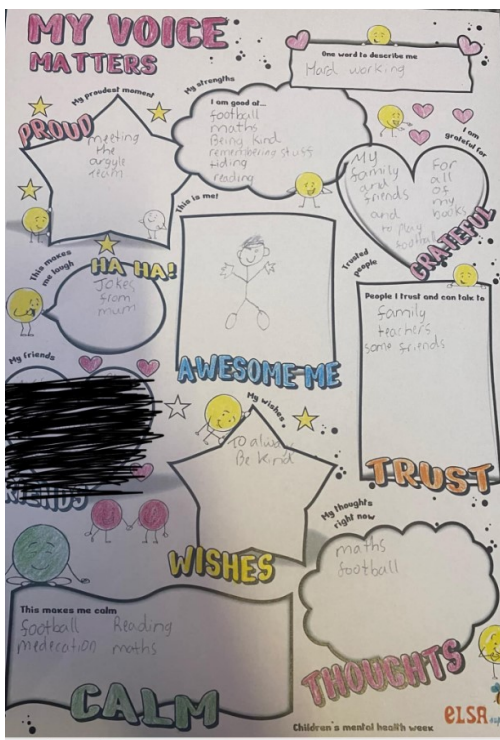

Children learn how to support each other.

Children can reflect on how their behaviour may have impacted on others.

Children have the opportunity to teach others.

Children can understand their group identity.
