Dear Traveler,

I hope this finds you in good health and spirits as the new year gets underway. At Viking, we are celebrating that *Condé Nast Traveler* named us #1 for Rivers, #1 for Oceans and #1 for Expeditions in the most recent Readers' Choice Awards. This is the first time a travel company has been voted #1 in all three categories simultaneously, and we are very proud to have received these awards from our loyal guests and the readers of this prestigious publication.

As we continue to develop meaningful travel experiences on all seven continents, we hope you will be inspired by one of our 2024, 2025 and 2026 ocean itineraries that are detailed in the following pages.

Join us on our *Classic Panama Canal Passage* itinerary to experience Central America's natural beauty and colonial heritage. Unwind in Cozumel's tranquility, discover the remnants of Belize's ancient Mayan civilization, bask on Honduras's beaches and delve into Costa Rica's verdant rainforests. Embark on a scenic crossing of Panama's famed canal, and witness centuries-old tribal life as you experience the traditions of the indigenous Emberá people.

Or perhaps consider our *Iconic Iceland, Greenland & Canada* itinerary. Marvel at the Westman Islands' volcanic wonders, enjoy Djúpivogur's serenity and wander through Seydisfjörður and Akureyri's charming streets. Uncover Viking legacies in Qaqortoq and L'Anse aux Meadows and embrace Halifax's vibrant maritime spirit.

You also have many intriguing choices in the Mediterranean, with multiple sailings in this fabled region throughout the year. Our classic 8-day *Iconic Western Mediterranean* itinerary spotlights the French Riviera and Italy's artistic marvels. Explore Barcelona's Catalonian culture and Tuscany's Renaissance heart, visit Montpellier and Marseille's historic sites, and indulge in Monte Carlo's seaside glamour.

As you plan for future exploration, I encourage you to take advantage of our Discover More Sale—book now with only a \$25 deposit and receive free roundtrip airfare on select itineraries and departures. As a valued Viking Past Guest, you will also receive a Double Past Guest Discount of up to \$800 per couple.

Thank you for your interest in Viking; we look forward to welcoming you on board and creating treasured memories together.

UNDERSTATED ELEGANCE

Modern ships designed for comfort and discovery

Created by interior architects who have designed some of the world's finest hotels, the signature Scandinavian design of our ships celebrates our Nordic heritage: clean lines, colorful woven textiles and light woods that evoke the original Viking explorers' connection to the natural world. Public spaces are light-filled, airy and quiet; staterooms feature thoughtful amenities, including heated bathroom floors, anti-fog mirrors and luxury bed linens; and throughout each ship you will find great attention to detail in leather handrails, original Nordic artwork and libraries stocked with books curated by London bookshop Heywood Hill.

THE FLAVORS OF YOUR DESTINATION

Experiencing a culture through its food and wine

A GREAT JOY OF TRAVEL lies in sampling the fresh fare and culinary traditions for which a place is known. Locally sourced ingredients — such as Norwegian salmon, Dutch gouda and Spanish *jamón* — inspire our highly trained chefs to create authentic regional dishes on every itinerary. And our thoughtful wine list enhances your meal, with handpicked selections and onboard tastings that showcase an area's quintessential varietals.

DINING ON A VIKING SHIP, you will find the ideal setting for impeccable service and casual elegance. On our ocean ships, experience multiple dining options, from Mamsen's Norwegian Deli and the open kitchens of the World Café — to Manfredi's Italian trattoria and 24-hour room service. Across our fleet, we offer the most al fresco dining on any waterway, so you always have the option to enjoy a meal or a glass of wine while completely surrounded by the scenery.

WHY VIKING IS A BETTER VALUE

How do we do it?

- With a 100% small ship fleet, Viking is the largest luxury cruise line*. This means we have considerable economies of scale in the building of vessels and the purchasing of goods and services for ongoing operations.
- Our award-winning fleet of sister ships is designed to be space- and energy-efficient, without onboard features like casinos and children's areas. This creative design maximizes space for guest rooms and reduces overall fuel costs. Therefore, we are able to pass the benefit on to our guests, in the form of lower prices.

ENVIRONMENTALLY CONSIDERATE

Reducing impact through design & technology

ALL VIKING OCEAN SHIPS come with the best Energy Efficiency Design Index (EEDI)* rating of their class, and they exceed the 2025 International Maritime Organization (IMO)'s requirements by almost 20%. Key features of the ships' energy-efficient design include:

- **SLEEK HULL DESIGN.** From the bulbous bow to the “duck tail” platform at the stern, our ocean vessels have been designed with energy-efficient hulls, propellers and rudder arrangements to reduce resistance in the water and therefore reduce fuel consumption.
- **EFFICIENT USE OF SPACE.** On a ship, every bit of added weight results in extra fuel consumption. This is why we are careful to add only what is needed to our ships, prioritizing optimal guest comfort and operational efficiency.
- **WASTE HEAT RECOVERY.** This process works by recovering heat from the engines and utilizing it as a free source of energy for heating water, thereby saving fuel.
- **INTELLIGENT HVAC SYSTEM.** An automatic “Eco-mode” reduces power consumption when public areas and staterooms are not in use. Plus, water condensation created from the ship's HVAC system is reclaimed and used in the main laundry, further reducing the need for fresh water from external sources.
- **SHORE POWER.** Our newest ocean ships utilize shore power where possible to reduce reliance on fuel while in port. This feature is already providing a reduction in CO₂ emissions of up to 30% on some itinerary sections.
- **LED LIGHTING.** The lighting instruments on board are more energy-efficient LEDs, utilizing low wattage and therefore lower heat output, lower power usage and a longer life.

*Since January 1, 2013, the Energy Efficiency Design Index (EEDI) was made mandatory for new ships, requiring a minimum energy efficiency level per capacity mile. This was the first legally binding climate change treaty to be adopted since the Kyoto Protocol.

VIKING OCEAN SHIPS ARE DESIGNED TO MEET THE HIGHEST ENVIRONMENTAL STANDARDS

Beyond the technical aspects of the ships' design, Viking ocean ships are also equipped with the following features to reduce environmental impact:

- **ADVANCED RECYCLING & WASTE MANAGEMENT.** Our entire fleet is equipped with advanced wastewater and ballast water treatment systems, as well as onboard trash and recycling separation facilities to minimize the generation of waste and enable environmentally responsible recycling in shore facilities.
- **LIGHT REDUCTION TECHNOLOGY.** We operate our vessels in a manner that minimizes light pollution, reducing our impact on local communities and landscapes.
- **NOISE REDUCTION TECHNOLOGY.** With no children and no casinos, the environment on board our ships is quiet and calm. Furthermore, we have technology in place to reduce potential noise pollution in the destinations where we sail.
- **EXHAUST CLEANING SYSTEMS.** Our ocean ships were the first newbuilds in the world to be equipped with a closed-loop exhaust cleaning system designed so that pollutants can be stored on board and disposed of at suitable reception facilities ashore. Our newest ocean ships are also equipped with Selective Catalytic Reduction systems to virtually eliminate nitrogen oxides (NOx).

THE WINTERGARDEN

SAIL IN SCANDINAVIAN STYLE

Every room is a living room

THOUGHTFUL DETAILS that celebrate our Nordic heritage are chosen specifically with comfort in mind: clean lines, colorful woven textiles and light woods evoke the original Viking explorers' connection to the natural world.

PUBLIC SPACES LIKE THE WINTERGARDEN AND LANAI are light-filled, airy and quiet. Our more observant guests will also notice subtle tributes to Norse mythology incorporated into the design details. In the Explorers' Lounge, lighted constellation maps and curated bookshelves are inspired by the world's greatest explorers. An ideal spot to linger over a glass of wine with fellow travelers, enjoy comfortable seating and sweeping views from floor-to-ceiling windows. Or, in Mamsen's Norwegian Deli, sample recipes of the Hagen family matriarch, for whom Mamsen's is named.

THE NORDIC SPA

SERENITY AT SEA

Designed with Nordic wellness in mind

OUR SPA EXPERIENCE draws upon the holistic wellness philosophy of Nordic culture, with treatments that include a variety of massages, facials and wraps.

IN THE THERMAL SUITE, to which all guests receive complimentary access, enjoy the ultimate Scandinavian tradition — relax in the Sauna and Steam Room; then invigorate yourself with a cold bucket shower or visit to the Snow Grotto. Afterward, complete your bathing ritual by soaking in the warm pool or resting in a heated lounge chair.

SHOULD YOU WISH TO EXERCISE, our state-of-the-art Fitness Center is adjacent to the Nordic Spa. Or, visit our Hair Salon, where you can indulge with an array of hair, nail and grooming services — including our soothing Royal Nordic Hair ritual.
