WELCOME

The staff and board of West Virginia Rural Water Association are excited to welcome everyone to Oglebay Resort for Water on the Mountain 2026.

As always, we will be offering a variety of classes with topics for water, wastewater, source water, office personnel, and board members. Make sure to plan your schedule accordingly to ensure you receive the maximum number of continuing education hours (CEHs) to use towards your certification renewal.

Between classes, we hope you take the opportunity to network with your peers and our vendors. There are plenty of experiences to be had at Oglebay. From shopping to walking and hiking trails to an aerial challenge course and everything in between, there are plenty of activities for all ages and interests.

Grab your registration packet on Sunday in preparation for the week's activities. Stay and partake in the picnic activities—enjoy good food and beverages while watching and/or participating in our competitions.

Vendors will be exhibiting in the Glessner Auditorium on Monday evening and Tuesday morning. Make sure to come out and show your support to all of our vendors. Monday evening will include the Exhibitors' Reception, a cash bar, and complimentary Hors D'oeuvres. Please make sure to thank all of our vendor partners who help make this conference possible.

WEST VIRGINIA RURAL WATER ASSOCIATION'S ANNUAL AWARDS

Purpose:

The Annual Awards Presentation is a way for WVRWA to honor and recognize its members. Although only one person or system is annually awarded, the awards are intended to praise all individuals and systems associated with the organization. Award recipients will be announced at the Awards of Excellence Banquet on Tuesday, August 11.

Eligibility & Selection:

Winners from the previous year (2025) will not be eligible for the 2026 awards. The WVRWA Awards/Scholarship Committee, composed of WVRWA Board Members, reviews all nominations and makes the final selections for the awards.

An award will not be given for the year if no nominations are received for a category.

All nominations need to include answers to the pertinent questions on the 2026 Awards Nomination Form, including a brief letter that explains why the individual or system is thought to be deserving of the award. When listing the primary reasons for nomination, the nominator can choose to make a simple list of reasons or create a detailed narrative. Nominations submitted without this letter will not be considered.

Nomination Categories

- **Office Manager of the Year**—Must currently be employed as an office manager of a water/wastewater system
- **Water Operator of the Year**—Must currently be employed as a certified water operator
- **Water System of the Year**—Must treat and/or distribute potable water for community consumption
- **Wastewater Operator of the Year**—Must currently be employed as a certified wastewater operator
- **Wastewater System of the Year**—Must treat and/or collect wastewater
- **West Virginia Rural Water Association System Manager of the Year**—Must currently be employed as a water/wastewater system manager

MAKING WAVES—WOMEN IN RURAL WATER

Attention Women in Water and Wastewater: You are Invited!

Join us for the 4th annual Making Waves—Women in Rural Water luncheon on Tuesday, August 11 from 12:00 p.m.—2:30 p.m. Making Waves is dedicated to supporting, promoting, and inspiring women throughout the water and wastewater industry. The purpose of the luncheon is to connect women in rural water, encouraging professionals to meet and share ideas, and develop important relationships.

*Nothing is impossible. The word itself says, "I'm possible!"
— Audrey Hepburn*

To attend the event, you must have a full registration or a Tuesday single day registration. The event is limited to the first 90 registrants. Each attendee will receive a complimentary keepsake, guaranteed for those who register on or before July 18. Please note: the ticket for this event will be in your registration packet.
