

WEST VIRGINIA RURAL WATER ASSOCIATION'S ANNUAL AWARDS

Purpose:

The Annual Awards Presentation is a way for WVRWA to honor and recognize its members. Although only one person or system is annually awarded, the awards are intended to praise all individuals and systems associated with the organization. Award recipients will be announced at the Awards of Excellence Luncheon on Tuesday, August 13.

Eligibility & Selection:

Winners from the previous year (2023) will not be eligible for the 2024 awards. The WVRWA Awards/Scholarship Committee, composed of WVRWA Board Members, reviews all nominations and makes the final selections for the awards.

An award will not be given for the year if no nominations are received for a category.

All nominations need to include answers to the pertinent questions on the 2024 Awards Nomination Form, including a brief letter that explains why the individual or system is thought to be deserving of the award. When listing the primary reasons for nomination, the nominator can choose to make a simple list of reasons or create a detailed narrative. Nominations submitted without this letter will not be considered.
