NORTH END GALLERY

"Animal, Vegetable, Mineral"

FIRST FRIDAY: *January 3, 2020*

Continue your New Year's celebrations on January 3 at our First Friday celebration from 5-8pm at North End Gallery, recently voted Best Gallery in St. Mary's County.

We never stop creating new work. Come see the diversity found in the featured work of our 3-D artists. Brilliant stones & fine metals, colorfully fused & stained glass, finely grained woods, repurposed materials and earthy clays - are all carefully crafted into an eclectic collection of objects d'art. Refreshments served.
