Please be a good audience by following these guidelines:

*No flash photography

*Please turn your cellphone volume to mute and limit use during numbers. The light from phones is very visible and distracting both to the dancers and on the video!

*No video or pictures

*If you must enter or exit the auditorium please do so between numbers.

*We love applause! That being said, yelling dancers' names and being disruptive during a number is not appreciated.

*No food or drink in the auditorium

*Please stay for the whole show to ensure that all of the dancers have a great audience!

*Please keep noise to a minimum. Talking at a recital is like talking at the movies!
