April Anniversary

NONE

We had a lot of fun at this years Florida District Rally. The new location was very good. The hotel is doing a complete remodel to be completed before next March.

The rides in the area was well attended and the feedback was everyone enjoyed them.

We want to thank Jeanette Carr for putting together the 4 chapter baskets that were given away. One of them won \$200.00. We split that 4 ways for each chapter and received our \$50.00.

We were able to sell 300 tickets for the raffle. Noone from our chapter, however we want to thank all chapter members for their participation in selling the tickets. Next raffle this year we will have a big boost for our sales. We will be needing

Any chapter members to volunteer at our events to take a couple of hours shift!!!

More information will be coming as to the location during Biketoberfest and Bikeweek 2025.

As soon as the new tickets are available we will be letting everyone know.

Congratulations to the Central Florida Drill Team on forming a new EWMA chapter in the Sanford, Debary, Deland area. FL1-G.

First meeting is April 7th Sunday 12:30 IHOP I-4 and Rt. 46

See you at the events

Florida District Safety/Ride Coordinators Safety Article

Greetings to all!

The 2024 Florida District Rally is now in the history books. What a success it was! Good times with good friends and making new ones. We look forward to doing it again (even better) in 2025. I want to thank all of the District Staff for their invaluable contributions and service. I would like to extend a special thanks to those team members I had the pleasure of working with directly. A special thanks to Fred & Karen Kennedy for their guidance, assistance and cooperation. Thank you to Ed Carr & Carlos Lozano for leading the Group Rides on Friday & Saturday. The weather was perfect and the rides were interesting and enjoyable. For those of you that thought you would not be able to ride because the maximum number of riders in each group had been filled know this: I volunteered and led a 3rd group each day so no members would be left behind. EWMA promotes safe riding and so do I. We will accommodate our members in the same manner next year, so next year be sure to bring your bike.

Thank you to Claudia Vega who conducted the HSI First Aid/CPR Class on Wednesday. Thank you to John Cain who coordinated the Classroom Presentations. The outdoor Bike Games were a lot of fun! We had twice as many participants as we did last year. The games were fun, a little challenging and safe. If you watched this year but did not participate, I hope you will join us in the FUN next year. The Lighted Bike Show had several beautiful bikes with 108 spectators voting for their favorite participant.

Congratulations to the Grand Prize winners. Kenneth Noce of Gainesville won the 1st Place Prize of \$5000.00. Blayke Dodd won the 2nd Place Prize of \$500.00 And Linda Fields won the 3rd Place Prize of \$250.00. The members who sold the winning tickets received a check for \$100.00 each. You too can win \$100.00 by selling the winning ticket. Better yet, buy some tickets for a chance to win the \$5000.00. Tickets for 2025 will go on sale soon!

Selling the Raffle Tickets is important! The proceeds pay the operational costs of our Safety/Ride Coordinator program. This includes First Aid/CPR. On Bike Games, Rider Safety Coordinator assisted Parking Lot Practice and classroom presentations.

We hope to see all of you again next year at our Florida District Rally on March 13-15, 2025 at the same location. The Best Western Gateway Grand, Gainesville, Florida was a perfect venue for our event.

We are here to assist you with any type of safety presentations: Rider training, Parking Lot Practices, and First Aid CPR Classes. We have short Classroom Presentations on many different subjects which could be given at one of your monthly gatherings. We would be happy to travel. Just contact us and tell us what you would like and we will make it happen.

Ride safe, Dominick & Diane
