

BAR HWRD

For all of our team and patron safety, SoHo Fuego, Bar HWRD, & Deck Pizza has implemented the following policies and safety guidelines to minimize the risks of COVID-19.

Employees

- Designated entrance for all staff where pre-entry COVID-19 screening will be administered by management
- Temperature check-ins for all employees
- Masks and gloves, where appropriate, for all front of house staff
- Masks and gloves, where appropriate, for all staff handling food and/or beverage.
- All check presenters and pens will be sanitized after each use

Patrons

- Hand sanitizer will be available for all of our patrons
- To allow social distancing during peak service volumes guest will be notified via text message when their table is ready
- All menus will be disposable and disposed of after each use
- Enforce six-foot rule for outdoor guests

Restaurant

- Complete daily sanitizing and disinfection of our entire premises.
- Our property was decontaminated by Ramos (EPA Registration No. 90920-1) 1.8 Gallons @ 40 Microns which non-toxic antimicrobial surface coating, will be applied weekly, inside and outside of the restaurant.
- A staff member dedicated to sanitizing will be cleaning all common areas and high touch point areas during business hours.
- Complete sanitizing of tables, chairs, and silverware after each use.
