OBSERVE

What Blooms
Can You Find
On Campus?

If There Are No
Blooms What Is
In Their Place?
(Look Closely)

Do you see any **buds**
on the trees?

If yes, what do they
look like?

What will the **buds**
become?

Blooms On Saturday March 16, 2024

Use your **magnifying glass** to look closely at a bloom.

What do you see?

What do you smell?

How are the white
blooms different
from the pink ones?

How are they alike?
