## **who we are**

**we are a society of people of good heart.**

**we are the Christians you were promised.**

we like things like merit, rank, stature, respect. we are classy.

we love and care – to a fault: our partners, our kids, our big families and many friends, our pets.

we care for everyone. because our Creator sent them our way. we will never send you away.

kindness, mercy, love. always love, even when it's hard to forgive. especially then.

everyone is equal, all rules apply to everyone. that's the point. that's how we fly higher, to Him, together!

that's why we are a stickler for rules, regulations, and bylaws. we love that stuff and excel at it.

good manners are a virtue.

we are good sports and good friends. we always lend an ear or a hand or two.

we like to party and we are generous and kind. we know how to say sorry when we fnck up and we make amends.

we praise the Lord and pass the ammo! we always have your back in a fight, and we throw a hell of a punch!

we like to organize and make things work better.

we don't judge. and we carry our cross like everyone else.

we stand by our word. always. and that's how it all works.

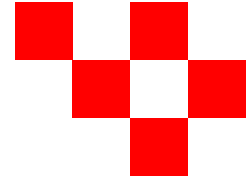

judge us by our walk, not our talk. **māran āthā!**
