To educate community leaders about the health, legal and economic issues associated with substance abuse

To promote change in attitudes towards persons seeking and living a recovery lifestyle.

Awarded to ATR

multiple subjects such as, but not limited to, Marijuana Intervention, Anger Management, Corrective Thinking, and Theft Intervention. As if that were not enough, we are now opening our doors for Moral Reconciliation Therapy as of December 1st and will offer Relapse Prevention in January 2022. Our staff is well educated and experienced, offering didactic and systemic learning with a splash of humor and entertainment in doing so. As the holidays are often difficult for those in recovery, we here at ATR work to offer individualized treatment for specific needs to help build boundaries and lifetime tools to help maintain and promote sobriety.
