

# Wisconsin Concealed Carry Course

\$120

9am-1pm

Hyde Syte Tactic's Wisconsin Concealed Carry Course (CCW) sets the standards for the beginning of firearms safety. This course effectively highlights where to carry, when to carry, how to carry and implements a strong focus on "safety first". Hyde Syte instructors will discuss the legalities of carrying concealed and the potential use of deadly force. This course is set up for those that would like the education of CCW, ownership, storage and begin a training process that every gun owner should obtain.

Upon completion, each student will be able to obtain their CCW license and begin a recommended training regimen.
