The Advanced AR Defense course brings forth another course by Hyde Syte Tactics. From 29 years on the Battlefield as a Green Beret and 26 years as Law Enforcement SWAT, Master Sergeant Trevor DeBoer will highlight tactical defense techniques with the AR15 platform. From his preferred ergonomic set-up of the AR, to muzzle control, transitioned shoulder fire, maximizing the use of the two-point sling and utilizing cover, Trevor will crawl, walk and run through the theory of the use of the AR and maximizing its versatility.

PACKING LIST REQUIREMENTS

- AR-15 platform (.223/5.56 preferred)
- 3 magazines (Trevor can provide loaner magazine if needed)
- Sidearm with holster if you have one (preferred but not mandatory)
- 500 Rounds .223 or 5.56 (300 Blackout is acceptable but .223 preferred)
- two point sling
- Hearing protection
- Eye Protection
- Hat highly recommended.
